Location

Conveniently located in the east of the city at 100 Hutt Street.

Patient Safety

Please contact us prior to your appointment if you answer yes to any of the following questions, so that the appropriate arrangement can be made for your care.

- › Could you be pregnant?
- › Do you have diabetes?
- › Have you ever had a history of metal work?
- › Have you ever had a cardiac pacemaker?
- › Have you ever had a brain aneurysm clip?
- › Have you ever had a cochlear implant?

Instructions for Patients

Please bring your Medicare card and any previous X-Rays/film with you to your next appointment. For CT, Ultrasound, MRI examinations and all interventional procedures more detailed instructions may be provided when you make your appointment.

Your doctor has recommended you use Fowler Simmons Radiology. You may choose another provider but please discuss this with your doctor first.
